If you would like to purchase both the physical text and MyArtsLab, search for 0134377451 / 9780134377452Â A World of Art plus MyArtsLab for Art Appreciation â " Access Card Package, 8/e Package consists of: â ¢ 0134081803 / 9780134081809Â A World of Art, 8/eâ ¢ 0134376846 / 9780134376844Â MyArtsLab for Art Appreciation without Pearson eText Valuepack Access Card MyArtsLab should only be purchased when required by an instructor. For courses in Art Appreciation Foster critical thinking and visual literacy in the Art Appreciation course. A World of Art fosters the critical thinking and visual literacy skills students need to understand art from around the globe. Noted author and educator Henry Sayre teaches students how to ask the right questions about the visual world that surrounds us, and to then respond meaningfully to the complexity of that world. New to the eighth edition, seven thematic chapters help students better identify and understand major themes of artâ "such as â œthe cycle of lifeâ • and â œthe body, gender, and identityâ •â "that transcend different eras and regions. Also available with MyArtsLabÂ® MyArtsLab for the Art Appreciation course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what theyâ™ve learned. Please note: this version of MyArtsLab does not include an eText. A World of Art, Eighth Edition is also available via REVELÂ„¢, an immersive learning experience designed for the way today&#39;s students read, think, and learn.

## Customer Reviews

I bought this to have conversations with a sister just going back to school after retiring from a long

career in the military. After 10 years of architecture, art, psychology, sociology among other things, I thought it would be fun for a review. After the first 2 chapters, this seemed somewhat a strange way to teach an art history class, but since I keep being reminded it is general "Art Appreciation," I suppose it will do. It does a whole lot of explaining WHY art is so important and not enough experiencing the actual art. Also, \$160 seems a bit steep for a book that doesn't delve very deep, but texts always seem to cost more than any other books, but I would not balk to have another good Art History book in my arsenal of the collections already accrued. If it had not been on kindle, I would have sent it back after the first chapter, and simply asked my sibling what their topic of the week was and looked up photos they show from my ART History books and been done with it. Truly a waste of time and money if you have any interest or knowledge of art.

This textbook is awful. I only rented it for my art class and every time I open it I am so thankful I didn't buy it. A reviewer before said it explains a lot about WHY art is important but not a lot about experiencing art. She was spot on, I can't believe any teacher would choose this text for core level art class.

I really enjoyed this class and the book was great made an A in the class

Received the book as described. What matters to me is the inside of textbook. Awesome! Contains great artworks!

Quick shipment and receipt of the book. Great condition! Rental program is beautiful!

Outstanding book, greatly enhanced classroom instruction.
