How To Learn And Memorize French Vocabulary

Synopsis

If you've ever wanted to improve your ability to learn and memorize French vocabulary by 100 percent...200 percent...300 percent...using simple skills you can learn in under an hour, then this may be the most important book you will ever hear. You're wasting time listening to the standard advice about learning French vocabulary. You can't continue with "random acts of learning" as you study French vocabulary and French phrases - at least not for long. The truth is that learning and memorizing French vocabulary can be incredibly simple. You just need to know how. In this second edition of *How to Learn and Memorize French Vocabulary*, Anthony Metivier tells you everything you need to know to develop the right skills, the right mind-set, and the right dedicated memorization strategy for memorizing any number of French words. Plus you'll learn how to find the right tempo for studying French to match your background and personal interests. The key to learning and memorizing French vocabulary is to follow a model. You won't succeed without one. And your best bet is to supplement that French learning model with strong memory skills. Most of the suffering caused by learning French comes from "cognitive overload". There's a way to remove this frustration from your life forever. And...if there is a quick fix, this is it! The information in this book will teach you: Why memory techniques as you learn French are like a bicycle everyone can ride (with some minor personal adjustments) The real reason why no one should ever be squeamish about memorization or learning French Examples that'll tell you exactly how and why these memory techniques and strategies work Unique approaches that'll have you literally "tuning in" on the French language so you can memorize and recall French vocabulary with ease

Customer Reviews

The author, as usual, didn't fail to impress. I speak very elementary French (I can understand children's books and that's the extent of it) and the techniques in this book have been helping me take my French to the next level. Awesome!
