## Customer Reviews

Quick & Dirty Highlights  
Smooth Operator has an interesting plot that is easy for one to suspend disbelief; characters are well-drawn; dialogue is smooth and has an authentic touch. I enjoyed it enough to add the Audible version to my wish list.  
Length: Print, 352 pages; Audible, 7 hours 5 minutes.  
Target Audience/Genre: Action-Adventure.  
Q - How was this book obtained?  
A - Bought on Audible.  
Q - Is this a book that I can read without having to read others first?  
A - Yes.  
Q - Are there a lot of typos/misspellings, grammatical errors or other editing failures?  
A - No.  
Q - Is this a fast, easy read or is it more of a leisure read?  
A - Fast-paced leisure read.  
Q - What sort of language does this writer use to amplify the points made?  
A - Adult English, but with very few profanities. I came across just four f-bombs and fewer than twenty total cuss words.  
Q - What age group is this suitable for?  
A - Young Adult and older. If this were a film it would likely be rated PG-13 for language.  
Q - My biggest pleasure or disappointment?  
A - Since I'm not acquainted much with Stuart Woods's writing,

I can't attest to this is consistent with his earlier works. I can state, however, that this is a very good Action-Adventure with just the right touch of irony and humor to lend credibility to the characters. I've included a small excerpt below, so readers can peruse the style of presentation utilized by the author. EXCERPT The phone on Ann's desk rang. She looked at it in annoyance, disengaged herself from Paul's clutches, and picked it up. She listened, heaved a heavy sigh, said, "Yes, I'll take it."
