Trump Is Nuts!: An Illustrated Guide To The Many Ways That Trump Has Gone Nuts [Audio Companion To The Print Book]

Synopsis

Trump Is Nuts! features Trump as many kinds of nuts, such as cashew nuts, almond nuts, pistachio nuts, and of course, mixed-up nuts as well as nut cases and nuthouses. And just like there have been Trump Steaks and Trump Vodka, maybe a line of Trump Nuts will be next. Each illustration is combined with satiric copy describing how Trump is this kind of nut. So is Trump really nuts? Try sampling some of the Trump Nuts in this book and see. An audio companion to the print book.

in Books > Humor & Entertainment > Humor > Political

Customer Reviews

Just got this. The team of Scott and Alexander have issued another great political satire. For a hysterical read and fun to color and paste nuts on any posters for your next Trump protest rally, this is a must! Nick Korolev, Daily KOS blogger
