# Real Estate Math Express: Rapid Review And Practice With Essential License-Exam Calculations

## Synopsis

Real Estate Math Express is a concise, easy-to-study test preparation guide to help real estate students improve their real estate math scores to pass the state licensing test. The primary feature of Real Estate Math Express is that it contains all necessary formulas and practice questions in 70+ pages. This enables you to truly cram for the math portion of your state's licensure test, memorize key formulas, and walk into the exam site having all the essential material in your short-term memory! So, if you want a truly rapid review resource, Real Estate Math Express is for you. No frills, no lengthy explanations—just key formulas, definitions, corresponding examples and practice questions. Real Estate Math Express can be broken down into 3 major parts: Math Formulary Math Questions Answer Key The math formulary is the section that introduces each major real estate math topic and its corresponding formula(s). Real Estate Math Express covers numerous topics ranging from basic math to capitalization rates to prorations and finally to closing cost calculations. Once the math formulas have been mastered, there are over 110 sample questions for you to practice with. Each question has both an answer and an explanation of the correct answer at the end of the book.

## Customer Reviews

I really wish I bought the handbook instead of an e-book (Kindle). The book contains everything you need for the testing. I am considering buying the hard copy for future references. The ebook version, just doesn't have the room to cram all that information onto a small screen!!

Fantastic review for math questions on any exam. Straight to the point with easy to follow solutions with no confusing extra steps thrown in to "help". This text is exactly as advertised.

I would give this a MUST HAVE for anyone getting their license. I learned so much from this book in regards to math, much more than I learned in my classes.

Purchased for my husband because he is in Real Estate School here in North Carolina. He really likes this book and says it is very helpful.

This book is a great way of recalling math back to mind. Glad I purchased it. Thank you.

This book is amazing, and great for new real estate, loan servicing professions, basic math which makes it less complicated for new beginning entering the world have real estate

Real Estate Math Express helped prepare me for the state exam and gave me the confidence I needed to pass the first time.

Very good information and has refreshed me.
