## Customer Reviews

This book is as thick as a phone book, so if you want to put it on the piano music stand... well it's hard....The print quality could be better, and English translation is not so direct, but that's expected, and at least the translation is there, so I am very happy with this book.(example translations: Non piu andrai farfallone amoroso -> From now on, my adventurous lover Dove sono i bei momenti -> Are they over, those cherished moments)

This is a commonly used edition among members of the opera community. You really can't go wrong with it.

I purchased this book "The Marriage of Figaro" for our son as a Christmas Gift. He is majoring in Music Education in college and is interested in Opera. He performed in this very Opera at his college this past Fall. He is very happy with this book - he intends to use this in his future music education career.

Just like the old Schirmer hard-cover score, but in soft-cover. Chi al par di me contenta? Io. Eschiatti il signor Conte al gusto mio.

This is what was requested by my daughter's voice teacher and director of a young adult abridged version. The only reason it didn't get 5 stars is my daughter said it would be really nice if it came with a ring binding to open flat for practicing.

This book was purchased at the request of my child's voice teacher. It is currently in use. Both my daughter and her teacher are satisfied with this book

Found great success in using this score! It is clearly marked and doesn't have too many editor notes. Would recommend any by this publisher!

it was exactly what was promised--maybe even in better condition than expected. it came in good time. great buy --i would do it again
